

Lewisham Wednesday Pool League - Rules

From the Summer 2015 we will be playing world rules only one exception:

1 Doubles will be “Scotch Doubles”.

Players in a Doubles Team take alternate shots for the duration of a frame.

The break should alternate between partners.

Where a player is required to nominate a choice of colour it should be the player who takes the next shot that should nominate.

(Note: Talking is allowed between partners from the last shot of the Team's previous turn until the cue ball is struck on the next turn.)
